Miscellaneous

Gelato

2 scoops of Gelato (either Chocolate or Strawberry) served with whipped cream, a cherry, and chocolate drizzle.

Tiramisu

Tiramisu translates to “pick me up,” and that’s exactly what you will do once you’ve have experienced the modern Italian classic. We take light, crispy ladyfingers and soak them in a combination of liqueurs and espresso, then top it off with mascarpone cheese and a light coconut dusting. Picking it up is the easy part - the trick is putting it down.

Cannoli Cream

Cannoli are a wonderful, sinfully rich Italian dessert which uses a hard brittle rolled outer tube shaped shell, which is similar in texture and consistency to a waffle cone - then it’s stuffed JUST before serving with a sweet, Ricotta/sugar filling.

Key Lime Pie

Rocky Road Brownies

The road to dessert paradise is paved in nuts and topped with a layer of caramel, marshmallows and pecans. And did we mention it’s also coated with chocolate and caramel drizzle?
